				Models	Financial Quoted Rates	Models	Financial Quoted Rates		
1	<b>Jewelry Casting Machine (Vacuum Unite,</b> 220V, Single phase. Cashing Vacuum chamber, Deblblizing chamber with acrylic lid, High Vacuum power for complete gold, silver, artificial jewellery casting	1	200,000	Pak ASC-5600 Mentioned Machine in quotation is better than our required one. Because of its functionality of "Vacuum with argon Pressure" casting	1,696,214	HJ-CM1	259,000	259,000	M/S Sudais Associates, Peshawar
2	<b>Melting Furnace.</b> 220V, Single phase electric, 2 kg gold melting furnace: Vertical Furnace Specially Designed and constructed for melting metals for casting and alloying of metal up to 11000C. 1 x Electric Melting Furnaces. 1 x Graphite Crucible.	1	70,000	Pak ASC-5800	247,000	HJ-MF2	125,000	125,000	M/S Sudais Associates, Peshawar
3	<b>Rubber Mold Vulcanizer.</b> 220V, Single phase electric, 2-way heating (upper and lower plate heating) Automatic thermostat.	1	30,000	Pak ASC-5700	390,000	HJ-V3	345,000	345,000	M/S Sudais Associates, Peshawar
4	<b>Wax Injecting Machine.</b> 220V, Single phase electric, 2 pounds wax melting capacity.	1	25,000	Pak ASC-5900	169,000	HJ-60B	78,000	78,000	M/S Sudais Associates, Peshawar
5	<b>Investment Powder,</b> Imported: Kerr or omni brand	2	20,000	Pak	58,800	Quotation not Provided	Quotation not Provided	58,800	M/S Anmol Scientific Lahore
6	<b>Wax for Injection,</b> Local wax (soft summers use) 1kg Local wax ( hard winters use)1kg	5	3,000	Pak ASC-5901	3,848	Quotation not Provided	Quotation not Provided	3,848	M/S Anmol Scientific Lahore
7	<b>Digital Weight balance,</b> Weight capacity upto 10kg	1	20,000	China	39,000	SF-400	1,800	1,800	M/S Sudais Associates, Peshawar
8	<b>Wax Melting Furnace,</b> 220V, Single phase electric, With thermostat for head control, Upto 3 flasks placing capacity	1	50,000	Pak ASC-6100	221,000	HJ-1130A	381,000	221,000	M/S Anmol Scientific Lahore
9	<b>Wax Welding Pen.</b> 220V, Single phase electric, With thermostat for head control.	1	8,000	Pak	23,400	HJ-235	14,000	14,000	M/S Sudais Associates, Peshawar
10	<b>Vacuum Flask.</b> 3", 3.5", 4" inches flasks with rubber bases and metal collar of same size.	4	2,500	Pak ASC-6400	84,000	Quotation not Provided as per requirement	Quotation not Provided as per requirement	84,000	M/S Anmol Scientific Lahore
11	<b>Vacuum Flask Plier.</b> To hold 4 inches diameter flask	1	3,000	Pak	18,200	Quotation not Provided as per requirement	Quotation not Provided as per requirement	18,200	M/S Anmol Scientific Lahore
12	<b>Silicon Mold Imported.</b> Soft silicon mold complete roll	1	18,000	Pak Need Specifically Jewellery Mold	39,000	Quotation not Provided as per requirement	Quotation not Provided	39,000	M/S Anmol Scientific Lahore
13	<b>Gloves.</b> Gloves used for handing crucibles, ingot molds & refining precious metal such as gold, Silver, and copper during high temperature applications	1	1,000	Pak	13,000	Model not Mentioned	180	180	M/S Sudais Associates, Peshawar
